**Join Chairman Miller in Urging Your  
Constituents to Return Their  
Census Forms Today!**

If you have not done so already, I urge you to encourage your constituents to return their Census forms as soon as possible! Time is running out and as you know, Census data directly impacts your community.

If you or your constituents have not received a questionnaire or are concerned that they might be missed, you can encourage them to call the Census Bureau's Telephone Questionnaire Assistance line for help at 1-800-471-9424.

If you have already mailed in your form, thank you for doing your part to ensure that America is accurately counted. An inaccurate census hurts America. An accurate census is in everyone's best interest. This is your future, don't leave it blank.

Sincerely,

Chairman Dan Miller  
Subcommittee on the Census
